Audrey - Just FYI. Not sure if you will be overseeing the Excelsior permit or if David will continue to engage on this one. Looks like there is a call today in an hour or so with Nancy Rumrill and Jim Walker (contractor). I am sure you can join and listen in if you are interested.

Hi Nancy,

My replies to your comments are inserted in red font below. I have made most of the requested changes to the draft permit. The revised preliminary version is attached for comment and discussion in a tracked and untracked version.

Shari: Please review and let me know if you have any questions or comments. I will be discussing this with Nancy at 2 pm MDT today in preparation for a conference call with

Excelsior tomorrow morning.

Thanks,

Jim
